

## **BURNS IN DRAMA TOGETHER WITH SAVED LEAVES**

"Silence is not enough, my lord," said one who had not spoken before. To Irian's eyes he was very strange-looking, having pale reddish skin, long pale hair, and narrow eyes the colour of ice. His speech was also strange, stiff and somehow deformed. "Silence is the answer to everything, and to nothing," he said..back here, eh?" and walked off with his quick, silent step, lost almost at once in the dappled.. "He lived here," Dory said, a glimmer of pride breaking a moment through her helpless pain. "The Mage Ath. Long ago. Before he went into the west. All my foremothers were wise women. He stayed here. With them."..to intrude on her solitude, which daunted him as did the strangeness of the Grove itself. The house vanished. No walls, no roof, nobody. Early stood on the dust of the village square in..She brought them to a house at the end of a lane. It had been a handsome place once, two stories built of stone, but was half empty, defaced, window frames and facing stones pulled out of it. They crossed a courtyard with a well in it. She knocked at a side door, and a girl opened it.. "They said you should give me my name," said Dragonfly. "Father fell to raging. So that's that."..punched-out projections; others walked over these shreds. I wanted to leave; by mistake I went. "I don't see why," she said. "My mother can cure a fever and ease a childbirth and find a lost ring, maybe that's nothing compared to what the wizards and the dragonlords can do, but it's not nothing, all the same. And she didn't give up anything for it. Having me didn't stop her. She had me so that she could learn how to do it! Just because I learned how to play music from you, did I have to give up saying spells? I can bring a fever down now too. Why should you have to stop doing one thing so you can do the other?"..The conversation had trailed off somehow. It seemed to me that the girl was beginning to. "Why so, Tern?"..Most people of the Archipelago have brown or red-brown skin, black straight hair, and dark eyes; the predominant body type is short, slender, small-boned, but fairly muscular and well-fleshed. In the East and South Reaches people tend to be taller, heavier boned, and darker. Many Southerners have very dark brown skin. Most Archipelagan men have little or no facial hair..going beyond certain limits they had to abandon symmetry and regularity of form, and lean from..also long for the unalterable.. "But why-?"..That would be unwise," he said, with a good imitation of the Master Changer's terse solemnity. "If need be, I'll do it, of course. But you'll find wizards very sparing of the great spells. For good reason."..incalculable. He was amazed when, not long after, she said to him, "I'll be going to the Grove..declared to be the Empire of the Sky and the Godkings official title was All-Emperor..All rights reserved, which includes the right to reproduce this book or..whisper..preventing himself and for having to be prevented.. "He lived here," Dory said, a glimmer of pride breaking a moment through her helpless pain. "The Roke, itself the center of the Old Powers in all Earthsea, the profoundest manifestations of those..must be shown! And we'll show them, you and I. We'll teach them. You must have courage, Dragonfly..had held him. "Tell Thorion we will meet him on Roke Knoll," he said. "When he comes, we will be."..Probably not," the wizard said..Neither of them had any doubt but that he was a man of great power. He denied this. "I could have..Thwil. Dragonfly had gradually become silent and sullen. She ceased asking her endless questions..another witch or an ordinary woman. They do not often marry men, and if they do, they are likely."..What it does is make him behave, make him have to. You know. . . maybe some..The first thing she thought was a king, a lord, Maharion of the songs, tall, straight, beautiful. The next thing she thought was a beggar, a lost man, in dirty clothes, hugging himself with shivering arms..That had always been his word for evil doings, spells for gain, curses, black magic: "sticky..grew pink. In this sudden saturation of the air with redness lay a foreboding of catastrophe, or so..now here I was flying. This final journey was to end in fifteen minutes..Losen shouted, beating his paralyzed legs with his weak hands..seen how to get it. She had given it into his hands. Her strength and her willpower were..He had tried to look at Ember as untouchable while he longed to touch her soft brown skin, her black shining hair. When she stared at him in sudden incomprehensible challenge he had thought her angry with him. He feared to insult, to offend her. What did she fear? His desire? Her own?- But she was not an inexperienced girl, she was a wise woman, a mage, she who walked in the Immanent Grove and understood the patterns of the shadows!..over all Havnor now for years..In about 650, the sisters Elehal and Yahan of Roke, Medra the Finder, and other people of the Hand..voice spoke in his mind, stronger and clearer than Gelluk's voice and spells. Through her eyes and..He laid his hands on the seam of earth, but there was no power in them..was neglected or actively suppressed by their society and government. Except as an evil to be..originally part of the governance of the school or of the Archipelago, is no longer useful or..summoning. No bringing back across the wall. No wall."..mouthful. "Being a wizard, going to Roke, all that, it never seemed real, not exactly. And with..strong man in his prime, not likely to retire or die. Among the scholars and other teachers he had..he come here, is what you have to ask." "To cure the beasts," Gift said.. "I know. I said everything wrong. I did everything wrong. I betrayed everything. The magic. And the music. And you."..AT THE END OF THE fourth book of Earthsea, Tehanu, the story had arrived at what I felt to be now.. "Set a price?" he flashed out. Then he remembered who he was not, and spoke humbly. "No. I..Changer, master of the spells that transform matter and bodies..killed the people who worked in the tower. Otter had never entered it nor seen Licky enter it. He..they gagged him and bound his arms behind him. "Now you won't weave charms nor speak spells..him. Gelluk was powerful, masterful, strange, yet he had set him free. For the first time in weeks." "It does not know death," he said, but he spoke in his own language, and they did not understand." "Avert!" Irian blurted out, making the sign to prevent word from becoming deed. None of the men..nearest was open. I looked in. A large, broad-shouldered man looked in from the opposite side..village. He still would not let her go, holding the rain-wet, stiffened body against him as if to..chimney. Berry would come in, drunk, in a while, and she'd put down the pallet in the chimney..before, in the spell-locked barracks room at the mines of Samory..The ship's weatherworker came aboard just before they sailed, no Roke wizard but a weatherbeaten..lifelong.. "A

woman! For safekeeping! In the Ninety Isles! Was he mad?" When she was thirteen the old vineyarder and the housekeeper, who were all that was left of the household, told the Master that it was time his daughter had her naming day. They asked should they send for the sorcerer over at Westpool, or would their own village witch do. The Master of Iria fell into a screaming rage. "A village witch? A hex-hag to give Irian's daughter her true name? Or a creeping traitorous sorcerous servant of those upstart landgrabbers who stole Westpool from my grandfather? If that polecat sets foot on my land I'll have the dogs tear out his liver, go tell him that, if you like!" And so on. Old Daisy went back to her kitchen and old Coney went back to his vines, and thirteen-year-old Dragonfly ran out of the house and down the hill to the village, hurling her father's curses at the dogs, who, crazy with excitement at his shouting, barked and bayed and rushed after her..content, not for their literary qualities, which range from high to nil. Loose regular meter, "Got you," the old man said, looking down at the muddy, lax body. He added, "Too late,." "Only the Master can open the door. Only the King has the key." "Stand!" he said to it in its language, and let go of it. It stood as if he had driven it into a socket..business and diplomacy. But Kargish priests never learn writing; and many Kargs still write every.of. The Child Taker, they called him, a dreaded sorcerer who carried children to his island in the.He saw her smile, but she was also hesitant, and after a while she said, "Well, you're welcome, sir, but I have to ask, can you pay a little?". "What, then? Movies? Theater?". Oblivious to all this, Gelluk talked on, following the endless spell of his own enchanting voice..of him on Roke Dulse did not know. Silence did not say. He had learned there in two or three years.for?". "The Hoary Men!" said Irian, staring openly at him. All Daisy's ballads of the Hoary Men who.bully and humiliate them, spite and thwart them, hating the death they saw in them. He had seen."Walked.". "He cannot harm me anywhere," she said, the fire running through her veins again. "If he tries to, I'll destroy him." "Poor child," she murmured..the way." He waited a while. He saw darkness, heard silence. Slow and halting, he entered the.And, just as in the now of the so-called real world, I didn't know what would happen next. I could.cousins while they rebuilt their burned house as best they could. They welcomed him with.as he wished. In the margins of the spells and word lists and in the endpapers of these books of."Ivory," said the Doorkeeper. "A lad from Havnor Great Port, whom I let in three years ago, and.and banish darkness from the islands forever. The Firelord took dragon form to fight Erreth-Akbe,.semen. I am Turren and he is me..."reason to frighten them. They were not men.."He wanted me to go to Roke."..back to his vines, and thirteen-year-old Dragonfly ran out of the house and down the hill to the.The Old Speech, or Language of the Making, with which Segoy created the islands of Earthsea at the.She took the path to the old house. When his ears stopped ringing he stole after her, hoping the.and with them the lost Rune of Peace, he and Tenar brought the Ring home to Havnor.).can't do much harm, but even a village sorcerer, he said, must take care, for if the art is used.tale, the mounted figures that walked through bright mist across the vague dun of the winter.came to him with its easy, loose, majestic tread, and breathed into his open palm. All those that.heart beating long after they are dead. Though it seemed terrible to bury a breathing body, yet he.With you there to vouch for me - to say even if I am a woman, I have some gift - and I'd promise."Stop," I grumbled. "Any more apologizing and I'll really feel all that time.".The idea of a school for wizards made him laugh. A school for wild boars, he thought, a college for dragons! But that there was some kind of scheming and gathering together of men of power on Roke seemed probable, and the idea of any league or alliance of wizards appalled him more the more he thought of it. It was unnatural, and could exist only under great force, the pressure of a dominant will-the will of a mage strong enough to hold even strong wizards in his service. There was the enemy he wanted!.there's no use trying to conceal anything from me, is there? The wise child loves his father and.thought. He looked at life in that cold light. It was a different matter from what he had believed.of?".Morred's people against him. Crying out that their king had betrayed them, the villagers of Enlad.glow in thin air. You didn't know I was watching. I've watched and said nothing for a long time. I.room with the spellbonds upon him he could hardly swallow the food. It tasted of metal, of ash..Licky was his master..the Doorkeeper spoke to. She saw the man's face change, saw his eyes shift to her in a brief,.He met there a mage, an old man called Highdrake, whose true name has been lost. When Highdrake heard the tale of Morred's Isle he smiled and looked sad and shook his head. "Not here," he said. "Not this. The Lords of Pendor are good men. They remember the kings. They don't seek war or plunder. But they send their sons west dragon hunting. In sport. As if the dragons of the West Reach were ducks or geese for the killing! No good will come of that." "Wait, wait," his companion said. "Give me a day."..the eldest, the Doorkeeper, Segoy....Each True Rune has a significance, a connotation or area of meaning, which can be more or less."Well, to my story. Forty years and more ago, there was a child born on the Isle of Ark, a rich isle of the Inmost Sea, away south and east from Semel. This child was the son of an under-steward in the household of the Lord of Ark. Not a poor man's son, but not a child of much account. And the parents died young. So not much heed was paid to him, until they had to take notice of him because of what he did and could do. He was an uncanny brat, as they say. He had powers. He could light a fire or douse it with a word. He could make pots and pans fly through the air. He could turn a mouse into a pigeon and set it flying round the great kitchens of the Lord of Ark. And if he was crossed, or frightened, then he did harm. He turned a kettle of boiling water over a cook who had mistreated him."..tried again, and stood up. Then he started forward..black and colored eggs. Above all this, through the mist of the distance, I saw words of gold.master again, if you will."..the distance several people were walking; I was not sure, however, that they were not dolls, and.crafts and arts of a nonindustrial society. Their population is stable and has never overcrowded.blowing, he saw, high and far above the blue strait and the vaguer blue-brown of the land, the.Farther along were halls for games of some kind; large rainbow wheels revolved, silver pipes."And perhaps because such arts have not the power they once had," he said. He did not know himself why he tried to weaken her faith in wizardry; perhaps because any weakening of her strength, her wholeness, was a gain for him. He had begun merely by trying to get her into his

bed, a game he loved to play. The game had turned to a kind of contest he had not expected but could not put an end to. He was determined now not to win her, but to defeat her. He could not let her defeat him. He must prove to her and himself that his dreams were meaningless. "The witch Rose of our village, lord," she answered, standing straight, though her voice came out. "By the grace of water, that carries no scent," Otter said, standing up. A litter of walnut shells fell from his lap, and he took the hearth broom and swept them into the ashes. "I'd better go." "It isn't right. It isn't my true name! I thought my name would make me be me. But this makes it worse. You got it wrong. You're only a witch. You did it wrong. It's his name. He can have it. He's so proud of it, his stupid domain, his stupid grandfather. I don't want it. I won't have it. It isn't me. I still don't know who I am. I'm not Irian!" She fell silent abruptly, having spoken the name..hands as a burning, and a queasiness if it was much advanced. Approaching one steer that was lying.Havnor openly. Men of arms didn't trust men of craft and didn't like to serve them. No matter what.No. There had been a thunderclap, a while ago. This was not thunder. He had had this queer feeling and had not recognized it, back then, before the earthquake that had sunk a half mile of the coast at Essary and swamped the wharfs at Gont Port..how sweet life was. He had bought the Reche grove, at a very stiff price to be sure, but at least."Don't be angry," I said, emptying the cup, and poured myself another one..crowned hills made the domain a byword, so that people said, "as fat as a cow of Iria", or, "as someone were at my heels. The next street headed up and ended at an escalator. I thought that.King Maharion sought peace and never found it. While Erreth-Akbe was in Karego-At (which may have."No need," said the man like a falcon. "I will." And he said, "Irioth.".Berry went and fetched his sister, after he had heard Sunbright's tale at the tavern, and San's version of it, and several other versions already current. In the best of them, Otak had towered up ten feet tall and struck Sunbright into a lump of coal with lightning, before foaming at the mouth, turning blue, and collapsing in a heap..Knowing the Enemy's name, he was able to counter his enchantments and drive him from Enlad.,was only a cal. I was with a six, you see, but it got awfully bottom. The orka was no good and."Tailoring?".thing to fight against until he could defeat it. There are many boys like that. I was one. But I.again with that yearning look. The sun was setting; he stood up, bade her goodnight gently, and.and walls and every window spouting fire. Women ran out of it screaming. They had been hiding no.the answering hatred in the son's eyes, the threat, the pitiless contempt. And seeing it, Dulse.it? You learn what you're doing while you do it. No chance to practice. "Ah-there! You feel that?".strong man with rough greying hair, running now like a stag..He went on showing his wares and joking with the women and children. Nobody bought anything. They gazed at the trinkets as if they were treasures. He let them gaze and finger all they would; indeed he let one of the children filch a little mirror of polished brass, seeing it vanish under the ragged shirt and saying nothing. At last he said he must go on, and the children drifted away as he folded up his pack..he thought of it. It was unnatural, and could exist only under great force, the pressure of a.When I closed the gate behind me, it was all I could do to keep from running. My knees.and had not recognized it, back then, before the earthquake that had sunk a half mile of the coast."I don't think it's true. I think all the true powers, all the old powers, at root are one.".clucking and pecking around the dusty dooryard, a red, a brown, a white; a grey hen was setting
