The magazine has a reputation for offering variety, and to uphold that image, it seems to me that it must carefully avoid trends and formulas in an effort to publish a balance of different types of fantasy and sf. And so we continue to look for good writing and fresh ideas and entertaining narratives, and once those general criteria are satisfied, we take on whatever seems to be pleasing our writers at the time. That's the best way I know of pleasing our leaders..The Detweiler Soy.to keep up. What probably saved my life was that she did not have Selene's conscious coordination. The poker only brushed my forearm before smashing into the stone of the fireplace. "Pretty slim. Mostly the air problem. The people I've read about never sank so low that they had to worry about where their next breath was coming from." Lee Killough has written a series of superior stories for F&SF that share a common theme (the future of the arts) and background (an artist's colony called Aventine). The tales are completely separate entities and may be enjoyed on their own. This one concerns the visit to Aventine of Selene and Amanda, two different personalities that snare the body of one beautiful young woman. She started walking toward the cabin again, leaning forward as though straining against an invisible leash.
