He knelt with her, tried to support her, but she slid down in his arms. He tried to keep her head at least from the mud of the track. Her limbs and face twitched, her teeth chattered. He held her close against him, trying to warm her. "You're singing," she said and lightly tugged at me. Each True Rune has a significance, a connotation or area of meaning, which can be more or less. When he looked up and spoke it was with a hint of a melancholy smile. "All the mystery and wisdom of the Masters, when it's out in the daylight, doesn't amount to so much, you know. Tricks of the trade - wonderful illusions. But people don't want to believe that. They want the mysteries, the illusions. Who can blame them? There's so little in most lives that's beautiful or worthy." The Summoner looked up at Irian. Slowly he raised his arms and the white staff in the invocation of a spell, speaking in the tongue that all the wizards and mages of Roke had learned, the language of their art, the Language of the Making: "Irian, by your name I summon you and bind you to obey me!" saw that his companion was in distress, and said, "I'll get you out of here.
