He did not understand why the ceiling.No wind stirred. The air was soft, the big sail hung slack. Only the western stars faded and vanished in a silent blackness that rose slowly higher. The master looked at that. "Witchwind, you say?" he asked, reluctant..Irian stepped forward before the Doorkeeper could answer..Lovers? Acquaintances? Abs was right after all when he said that I wouldn't be able to manage.Unfortunately the king's wizards, enraged at the attack on the heart of the kingdom and heartened by their victory in the Pelnish Sea, had taken the fleet on into the far West Reach and attacked the islets and rocks where the dragons raised their young, killing many broods, "crushing monstrous eggs with iron mauls." Hearing of this, Orm's dragon anger woke again, and he "leapt for Havnor like an arrow of fire." (Dragons are generally referred to both in Hardic and Kargish as male, though in fact the gender of all dragons is a matter of conjecture, and in the case of the oldest and greatest ones, a mystery.).To it he flew, and on it landed, and as he touched the earth he was a man again..bower upstream, he went there, carrying Veil's basket as an excuse. The passages of the mine were a dark maze like the wizard's words. Otter stumbled on, trying to understand. He saw the slave in the tower, the woman who had looked at him. He saw her eyes..will do you. Or others," he added conscientiously.. "She came to this place at this time," the Namer said. "And to this place, at this time, no one comes by chance. All any of us knows is how it seems to us. There are names behind names, my Lord Healer.".The Equilibrium," she said, accepting all he said in its simplest sense, as always..They walked past the roaster tower, past the old shaft and the new one, on into the long valley where Otter had taken Licky the first day he was there. It was late autumn now. The shrubs and scrubby grass that had been green that day were dun and dry, and the wind rattled the last leaves on the bushes. To their left a little stream ran low among willow thickets. Mild sunlight and long shadows streaked the hillsides..trees, not many people. The wizard Hemlock, who had known his great-uncle the Mage, came up from South Port to name him. And Hemlock was invited to his nameday party the year after, a big party, beer and food for all, and new clothes, a shirt or skirt or shift for every child, which was an old custom in the West of Havnor, and dancing on the village green in the warm autumn evening. Diamond had many friends, all the boys his age in town and all the girls too. The young people danced, and some of them had a bit too much beer, but nobody misbehaved very badly, and it was a merry and memorable night.
