The woods, the meadow, where we can and adapt it to us where we can. For that, we're better off than most of the colonists of the past, at least for the short term. We have a large supply of everything a colony needs: food, water, tools, raw materials, energy, brains, and women. Without these things, no colony has much of a chance. All we lack is a regular resupply from the home country, but a really good group of colonists can get along without that. What do you say? Are you all with me?" otherwise rather plain face, giving her the look of a Renaissance Madonna and adding nostalgic charm to her loose topknot of copper hair and high-waisted Regency-style dress..
