He asked her, rather timidly, to tell him what the Immanent Grove was, for when he had asked others they said, "Ember can tell you." She refused his question, not arrogantly but definitely, saying, "You can learn about the Grove only in it and from it." A few days later she came down to the sands of Thwil Bay, where he was repairing a fishing boat. She helped him as she could, and asked about boat-building, and he told her and showed her what he could. It was a peaceful afternoon, but after it she went off in her abrupt way. He felt some awe of her; she was incalculable. He was amazed when, not long after, she said to him, "I'll be going to the Grove after the Long Dance. Come if you like." "Some flurries," he said. She got a good look at him now in the light of lamp and fire. He was not trees, not many people. The ashy soil grows a rich, bright grass, and the people there keep. "Get away, you traitor, you foul lecher, or I'll cut the liver out of you!" She sprang up the bank, pulling herself up by the tough bunchgrass, and scrambled to her feet. No one was there. She stood afire, shaking with rage. She leapt back down the bank, found her clothes, and pulled them on, still swearing - "You coward wizard! You traitorous son of a bitch!" our own way together, we'd do better, maybe." things gradually. At the very ramp, beneath the belly of the ship, where we stood, jostled by the. It was no use trying to impress her; all she said was, "Ships don't trade much to Roke, do they? At that the wizard whose true name was Heleth stood as still as he did, looking back at him, till the boy's gaze dropped. What he found on Roke was both less and more than the hope and rumor he had sought so long. Roke Island was, they told him, the heart of Earthsea. The first land Segoy raised from the waters in the beginning of time was bright Ea of the northern sea, and the second was Roke. That green hill, Roke Knoll, was founded deeper than all the islands. The trees he had seen, which seemed sometimes to be in one place on the isle and sometimes in another, were the oldest trees in the world, and the source and center of magic. But Hopeful, sailed and steered by two young sorcerers from the Hand of Havnor, brought Medra safe down the Inmost Sea to Roke. the Gate open because he held the Mountain still."
