As he moved the device, the ghost images had shifted; they were dancing now with the faint movements of his hand. Smith stared at them without breathing for a moment. Holding the cord, he turned slowly. The ghost images whirled, vanished, reappeared. He climbed up on the platform, in that casual way he has, and stood there looking down at us with his big golden eyes, his face glowing as it always does at such times, as though there's a light inside him shining through his pores.."Here's what we know for sure.
