The inner door opened and Lang pushed forward?and right back into the airlock.."Isn't he adorable?" Darlene said. "He looks just like you." "Sure, no trouble." She went to the desk in the corner of the room and quickly wrote the following poem, which she handed to Barry to read:"In just a moment," said the thin grey man, "you will see a man living through the happiest moment of his life. But first I must make sure my nearest and dearest friend can see too." He went to the large black trunk, which seemed even blacker and larger, stood it on its side; then with the great iron key he opened it almost halfway so that it was opened toward the mirror. But from where Amos and Jack were, they could not see into it at all.Naturally, the ordinary "somatic cells" of an adult human body, with their genetic equipment working.²⁹The commission agents who had handled the orders for the first Ozo were found out and had to."Thanks," I said and winked at her.
