Cambridge University Science Fiction Society. "We can't say how long they've been prepared for a visit from us. Maybe only this cycle; maybe twenty cycles ago. Anyway, at the last cycle they buried the kind of spores that would produce these little gismos." She tapped the blue ball representing the Earth with one foot. "Sizzling hot and waiting," said the grey man, lifting his sunglasses. "Where is the sailor you took to cut. The blood hadn't spread very far. Most of it had been soaked up by the threadbare carpet under the. Smith made a disgusted sound. He opened the clamps that held the device and picked it up, reaching for the power switch with his other hand. He never touched it. As he moved the device, the ghost images had shifted; they were dancing now with the faint movements of his hand. Smith stared at them without breathing for a moment. Holding the cord, he turned slowly. The ghost images whirled, vanished, reappeared. He turned the other way; they whirled back. Sure enough they found themselves on the edge of a round, silvery pool. Across from them, large frogs croaked at them, and one or two bubbles broke the surface. Together Amos and Jack looked into the water. "Muzak," she said dismissively. he was pushing her. outlets or at the door. selves on report." She laughed and beckoned them over to her. They linked arms and stood staring up at the sky. 30. This day, like the nine before it, illuminated a Tharsis radically changed from what it had been over. . . , and so," the soft grey voice went on, "I need someone clever and brave enough to help my bead. "I'm going to kill you, Selene. Sooner or later, ril kill you." Amanda, too, seemed to think going to Gateside was more trouble than she was worth, but I had my arguments ready. It was just a spectacular hour's ride away; the shopping was immeasurably better, including warehouses of Stargate imports; and since the train ran until midnight, we could have dinner and go to the theater before coming back. That persuaded her. "Most of them." I hardly ever won, but then I liked to play games with outrageous risks. "Nothing. A good secretary keeps her employer informed.
