Thus, the facts alone make it clear that the King has no such intent His real purpose in building the Project is to provide a haven. A haven to which the people can flee should a second phenomenal ram-fall again cause the Twin Rivers to overflow their banks to such an extent that the entire Plain becomes inundated. Living on that Plain, the members of Local 209 stand to benefit from the Project as much as the rest of the people. For them to have, in effect, sabotaged such a noble undertaking is, frankly, beyond my comprehension, unless their motive for doing so can be partially attributed to their unwitting acceptance of the popular interpretation of the Project's purpose. "This is the latest" The front cover said in tasteful powder-blue letters on a background of dusky cream: MADELINE is MAD AGAIN: New Poems by Madeline Swain. On the back there was a picture of her sitting in this same room, dressed in the same dress, and drinking (it seemed uncanny) another can of beer (though not the same brand).
