Everything not in its own place does harm. A note sung.. Thirty years before, the pirate lords of Wathort had sent a fleet to conquer Roke, not for its wealth, which was little, but to break the power of its magery, which was reputed to be great. One of the wizards of Roke had betrayed the island to the crafty men of Wathort, lowering its spells of defense and warning. Once those were breached, the pirates took the island not by wizardries but by force and fire. Their great ships filled Thwil Bay, their hordes burned and looted, their slave takers carried off men, boys, young women. Little children and the old they slaughtered. They fired every house and field they came to. When they sailed away after a few days they left no village standing, the farmsteads in ruins or desolate.. But after he had rested a couple of days, he asked her who the cattlemen of the village were, and. "I wanted to ask you to go away with me," he said.. Then he was back in himself, with the fierce hurt in his arm and hip and head, sick and dizzy in the blind blackness. When he moved, he whimpered; but he sat up. I have to live, he thought. I have to remember how to live. How to make light. I have to remember. I have to remember the shadows of the leaves.. "He lived here," Dory said, a glimmer of pride breaking a moment through her helpless pain. "The. Yaved, as Ogion's true name was Aihal. "Come" she said, "before you fall asleep there," and he followed her obediently to Berry's room, which wasn't much more than a cupboard built onto the corner of the house. His bones ached. They ached for the sun to come out and shine through his flesh and dry them out. Of course he could say a pain spell, but all that would do was hide the ache for a while. There was no cure for what ailed him. Old bones need the sun. The wizard stood still in the doorway of his house, between the dark room and the rain-streaked open air, preventing himself from making a spell, and angry at himself for preventing himself and for having to be prevented..as weak and wasted as when Hound first brought him. When he turned off the village lane up the hill, a pack of scrawny, evil-mouthed dogs came pelting and bellowing down at him.
